

### Computer Loan Agreement

I, \_\_\_\_\_, acknowledge receipt of a laptop computer and its accessories with a service tag number of \_\_\_\_\_. I agree to use this computer solely for the benefit of my education at the University of Connecticut. I will return the computer to **C.P.I.A at Hall Dorm on or before** \_\_\_\_\_.

Further, I acknowledge that I am responsible for this computer. I will exercise extreme care with this computer including securing the computer whether it is in use, not in use while on campus or not in use when I am traveling for an away-from-home-contest. I understand that I am responsible for any damage to the computer and subject to actual replacement costs of the computer.

Additionally, I understand that I will be billed for the replacement costs of the computer if I fail to return the computer in its original condition (excluding ordinary wear and tear and any repairs covered by warranty) by the above-referenced date.

If the computer is stolen, I will report the theft to **C.P.I.A** at the time the theft occurred and provide that individual with a police report documenting the theft of the computer. I acknowledge that I will also be billed for the replacement costs of the computer if I fail to report the theft of the computer in a timely manner and fail to provide a police report.

Finally, I understand that the University reserves the right to place a hold on my account, precluding me from registering for future classes or obtaining my transcripts if I fail to return the computer or pay the replacement costs.
